

## Hon. Michael C. Solner (Ret.)

### Medical Malpractice

- Lawsuit by family for Elder Abuse, against 3 successive healthcare providers. Issues involved the monitoring of the mother, a bedridden patient, and a change in her medication without consent.
- Emotional Dispute between family members over care of elderly mother. One family member, a former child actor, stood to gain by removing mother from health care facility and discontinuing her medication.
- Wrongful death lawsuit filed by family of elderly mother against well-regarded hospital and treating physician, alleging mismanagement of medication.
